

2023- Sample Snack Bar Assignment Update Letter 3/4/23

Hello everyone,

As you know, Snack Bar participation is a requirement for each Family on the team. The Snack Bar at Mahan Park needs to be open while games are being played at those fields. The Team Parent is required to assign someone from the "Home Team" to participate. So, to make the games go as smooth as possible, I have assigned a parent for every one of our "Home" games at Mahan Park.

While the Scheduler is working hard to incorporate the rest of the practice schedules for the remainder of the season, The Director of Volunteers has been adding the Snack Bar assignments based on the dates he has completed. As of today, she has added the Snack Bar assignments through 4/9 for each team and will add the rest as she gets them daily. She is trying to avoid adding assignments and then having to possibly change them if there are any revisions to game times or locations. They feel like that will create too much confusion.

With that being said, they will shortly send out a "Final Snack Bar Assignment" email letting us know that all assignments have been completed. At that time I will double check our team's schedule to make sure I have assigned everyone to a Snack Bar shift. You will then be able to proceed to assign yourself to the shifts. Again, in the case of rainouts or rescheduled games (fingers crossed this doesn't happen), The Director of Volunteers will update the TeamSideline site as soon as she hears from the Scheduler. I will then reassign those games as necessary and you will then be able to reassign yourselves in TeamSideline asap.

If you have been assigned a date prior to 4/9 please complete the assignment sign-up within TeamSideline. I have attached the "How to Sign-up for Your Snack Bar Assignments Spring 2023" for you to review. Remember in order to sign-up for your Snack Bar shift you **MUST** use the TeamSideline login/account that they registered their child with for the Spring 2023 season or you will not see the assignments.

Lastly, If the person assigned to cover the Snack Bar shift fails to show up for their shift, our game will be stopped until we provide someone to cover. If there are no volunteers the Coach is required to work the shift. If you cannot fulfill your assignment, feel free to switch with another parent and make note of the change in the Team Snap chat and on TeamSideline.

Thank you for your help,

Team Parent Name
